Smart Robotic Pool Cleaner Designed For Thorough, Efficient Maintenance.

Thorough Cleaning

The intelligent S-shaped cleaning path minimises repetition and maximises efficiency. The Chasing DT C Pro cleans your pool floor, walls and waterline, with 3 cleaning modes to choose from – wall only, floor only and auto (floor/wall/waterline).

Dual Turbo Pumps

The dual turbo centrifugal pumps give the robotic cleaner a strong filtration capacity, turning over 320L of water per minute.

Large 4.1L Basket

4.1L capacity and 180 micron filter holds more finer debris. Easy to empty and rinse basket.

One-Click Retrieval

Send the cleaner to the pool edge for easy retrieval with a convenient one-click command.

Light Weight Design

Weighing only 6.5kg, this compact design makes lifting and moving the pool cleaner a breeze.

Wi-Fi Connectivity

Seamlessly connect to Wi-Fi and Bluetooth for smart functionality and effortless management.

Dedicated Mobile App

Manage your cleaner efficiently with the dedicated mobile app. Control your cleaner anywhere, any time.

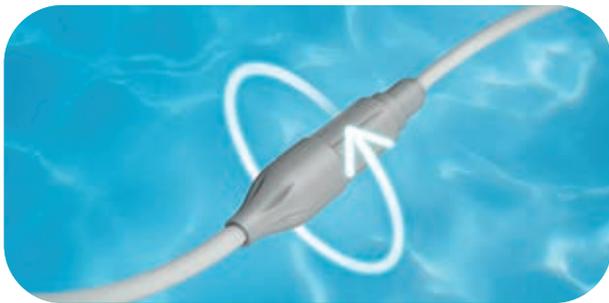

Waterline Cleaning Technology

Moves parallel along the pool edge, scrubs the pool's waterline, removing grease, algae, and scale to prevent bacteria buildup.

15m Swivel Cable

The 15m cable features a swivel connection, helping to prevent tangles for a more efficient and uninterrupted cleaning cycle.

Effortless Obstacle Crossing

The corrosion-resistant tracks easily cross slopes and drains. Suitable for all pool surfaces and sloped beach entries.

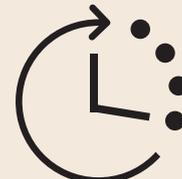

Full Load Alert

Notifies you via the app when the basket is full of debris, keeping the system running smoothly.

Custom Schedules

Conveniently control and schedule cleaning cycles from your phone.

AC Power, Long Lasting Cleaning.

OPERATING CONDITIONS

PARAMETER	RANGE
Working Water Depth	0.5 - 3m
Ideal Pool Water Temperature Range	Between 5°C and 35°C
pH Level	7.0 - 7.8
Sodium Chloride Concentration	Max 5000PPM
Chlorine Content	4PPM

PRODUCT INFORMATION

SPECIFICATION	MODEL
Product Order Code	GW3000
Endurance Times Floor Mode only	Up To 2 Hours
Endurance Times Wall and Waterline Mode only	Up To 2 Hours
Endurance Times Floor/Wall/Waterline Mode	Up To 3 Hours
Endurance Times Custom Mode	Up To 4 Hours
Ideal Pool Size	Up To 150m ²
3 Cleaning Modes	Floor Only / Wall Only / Auto (Floor, Wall And Waterline)
Wi-Fi, Bluetooth And Mobile App	Yes
Filter Specifications <i>Extra filter cartridge available</i>	4.1L Capacity, 180µm Filtration Accuracy
Pump Flow Rate	Up to 320L/min
Running Power, Voltage and Current	150W, AC 230-240V, 50Hz
Moving Speed	Approx. 12m/min
Swivel Cable Length	15m
Ingress Protection Rating of Robot	IP68
Ingress Protection Rating of Power Box	IP54
Robot Net Weight	6.5kg
Robot Dimensions / Packaging Dimensions (LxWxH)	398x405x253mm / 640x466x358mm
Power Box Weight	1.5kg
Power Box Dimensions (LxWxH)	290x170x103mm

AVAILABLE FROM YOUR LOCAL POOL PRO STOCKIST

**Warranty T&C's apply.
* 3 years limited on main body, PCBA, power supply & adapter, floating cable, power cord & indicator light. 2 years limited on drive motor & pump motor. 1 year limited on consumable parts - filter, basket, track & roller brush.*
